## President's Report- Alice Kellogg

Yummy! I love popcorn and munching on it while I watched Sharon Malec demonstrate how to make free-standing appliqué made the "movie" a little more special.

Isn't the raffle quilt wonderful. I can't wait to see it quilted! We need everyone's support is this endeavor. If you know of a place that we can sell raffle tickets, please give me a contact person for me to call. Start thinking about "quilt sitting" our lovely quilt and when would be a good time for you. I hope to have a list of interested parties and places by the time the quilt is finished.

I am looking forward to the picnic. It should be a fun time for everyone and an opportunity to get to know more members of the guild. Bring your appetite and come prepared for some fun.

I am working on my next challenge quilt. Are you? Let's see some star quilts at July's meeting and celebrate the 4<sup>th</sup> with some pretty red, white and blue quilts.

Until next time, here's keeping you in stitches!

## Vice-President- Adrian Thompson

### Cheater Challenge Rules

- 1) Dig through your stash or stop at your favorite fabric store to find a 'Cheater' panel with potential.
- 2) Take a photo of the panel in its original condition - very important!
- 3) Use that panel, your imagination, and other fabrics, etc to create something quilted - that doesn't look like the original panel. No limit on number of fabrics, size, etc. But - no fair just adding a border - where's the fun in that?
- 4) Bring your completed creation and the photo of the original panel to the July meeting. There may be a prize for this challenge - but all who participate are Winners!

## Program Report– Joan Ballew

**June** - Potluck Picnic - Refer to a separate article with details about the picnic. Volunteers are needed in several areas. Bonnie Bowman, our own 'Red-neck Quilter' will provide entertainment for the evening. She promises much laughter and some helpful hints and tips on unexpected tools for quilters. Please bring your picnic or outdoor event quilt for Show and Share.

**July** - Carol Webster, Edmond Artist, will talk about transfers. Check out her website WWW.OrchidOriginals.com, showing her shadow boxes used to preserve memories. We'll also have our Cheater Challenge - See separate article for details.

**August** - Randa Parish of Prairie Quilt Shop in Hennessey will share the story of how the OKC Winter Quilt show and her shop began. She will also be vendor that evening.

**September** 18th, Debbie Maddy of Calico Carriage Designs will present 'No Diamonds, No Y-seams: Old Quilts, New Methods'. Traditional and newbie quilters will love her techniques. We'll all love the quilts she'll bring to show. Debbie will also have patterns to sell and will be teaching a workshop on Tuesday, Sept 18th - 9am - 4pm. Take a day off work, or make arrangements for the kids, but sign up soon. Make checks out to EQG for \$30 and let me know which workshop you would prefer from those offered on her website [www.calicocarriage.com](http://www.calicocarriage.com).

**October** - Back by popular demand - Quilter's Market. Start gathering patterns, left-over fabrics, etc and check with friends who might want to share the \$10 cost a table. Signup by calling me at 715-0602 or e-mailing me at [joanballew@cox.net](mailto:joanballew@cox.net).

**November** - Plan on turning in placemats for the Loving Touch 'Mobile Meals' project.

**December** - Fun and Games?

### Raffle Quilt - Progress report.

Thanks, Adrian, for bringing your quilt rack, so we could display the raffle quilt top at the May meeting. I heard lots of nice comments, and some concerns about the 'frog' block. The board has voted to replace it, but the frog will still smile over the quilt from it's new spot on the bag, that Alice is making to carry and store the quilt between quilt shops and shows. Be thinking about where you could take it to sell raffle tickets starting this fall and continuing in 2007, up until the EQG Quilt show.

Some people have asked about a pattern for the raffle quilt 'Bear Paw Bouquets'. We're planning on producing one which will be sold at the EQG 2007 Quilt show.

### In the Know

Fiberworks will be running through the month of June at IAO (811 N. Broadway in OKC).

#### Trivia Questions:

What year was the proclamation signed that set aside the 3rd Sunday in June as Father's Day?

What president signed the proclamation?

## Loving Touch Committee– Bonnie Bowman

How are those placemats coming? If you still need instructions for the completion of the placemats, I'll have them available at our picnic this month. We have already had several beautiful placemats turned in. The goal we set for ourselves is 100 by the November meeting. These will be Christmas gifts for the Edmond Mobile Meals recipients in our community.

By the way, have you started "Stripping" yet? We need an array of 2 ½ " strips cut from your scrap pile at home. Have some fabric you don't want to use anymore? Just strip it! Don't worry about sub-cutting. Just make sure the strips are at least 12 " or longer.

## Pot Luck Picnic - June 20th - 7pm
